Bulletin for St Thomas' & St Mary Magdalene's – Sunday 3rd November – All Saints' Sunday and Safeguarding Sunday

Dear Friends,

On this All Saints Sunday we celebrate the saints of the past who through their extraordinary, sacrificial lives shone out with the light of Christ and so transformed their world. However, you don't have to be a saint to let Christ shine through you: we are all called to do this!

In our modern society there is much discussion about identity as it if were a matter of us making a choice. However, for us Christians it is the other way round: we are who we are because our relationship with Jesus makes us who He wants us to be. He does this by longing to be in relationship with us, by the cross which sets us free from the damage we've inflicted and the hurt done to us, and by giving us hope through the Resurrection. As St. Paul puts it in 2 Corinthians 5:17, "therefore if anyone is in Christ, he is a new creation. The old has passed away: behold the new has come. This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun." This All Saints'-tide let us give thanks for the saints in glory and in our own small way shine the light of Christ and make a difference!

Yours as always, Michael.

PS make a difference by:

- Returning your giving form and Time and Talents sheet for the work of the church.
- Giving generously to the Disasters Emergency Committee appeal to relive suffering in Gaza.
